Traffic Barrier Removal Works Redbank Plains Road

From 7pm Wednesday 26 June through till 5am Friday 28 June 2024, changed traffic conditions are required to remove traffic barriers from Redbank Plains Road and Kruger Parade roundabout, Redbank Plains and Bellbird Park.

WHAT TO EXPECT?

- Changed traffic conditions including temporary lane closures of Redbank Plains Road and Kruger Parade roundabout.
- Removal of traffic barriers from Kruger Parade roundabout to Highbury Drive. Bollards will replace barriers, current alignments will remain in place temporarily whilst we prepare to re-open portions of the site and move to new construction areas.
- Reduced speed limit to 40km/h around the work area.
- Variable Message Board Signage (VMS) advising of changed traffic conditions.
- Limited pedestrian access around the work area. Temporary footpath closures near the work area will occur and alternative routes will be signed.
- Oversize plant and machinery within the work zone.
- Some minor noise and dust associated with these activities. Every effort will be made to minimise these impacts.

WHEN WILL THESE WORKS TAKE PLACE?

Start	26 June – 28 June
Duration	Two nights
Time and day	7pm – 5am Wednesday to Friday

NIGHTWORKS

- During night works vehicles will use 'quacker' style reversing alarms rather than beepers to reduce noise.
- Light towers will be placed to limit glare to nearby residences.
- All efforts will be made to minimise noise, with noise management measures in place and some noisier activities being completed prior to 10.30pm.

THANK YOU

The project team apologises for any inconvenience during these works and thank you for your patience as we undertake this vital infrastructure for the Redbank Plains region.
