

Notification of Works

Springfield Parkway and Springfield Greenbank Arterial Road Upgrade

INF03882 - Division 2

2 December 2024

STAGE 3 NIGHTWORKS

From 7pm Sunday 8 December through till 5am Wednesday 18 December 2024, works to progress road construction, line marking, electrical infrastructure, landscaping and footpath reinstatement will continue on Springfield Greenbank Arterial, Centenary Motorway Exit 32 off ramp and Main Street, Springfield Central.

Construction work will be carried out from Sunday to Thursday, 7pm till 5am, weather permitting and include:

- Road construction and asphalting
- Line marking
- Electrical infrastructure installation including traffic signals and road lighting
- Final preparatory works for the signalisation of the Springfield Greenbank Arterial, Main Street and Centenary Motorway Exit 32 off ramp intersection
- Footpath reinstatement
- Planting and landscaping.

WHAT TO EXPECT?

- Changed traffic conditions including temporary full closures of Centenary Motorway Exit 32 off ramp, Main Street and Springfield Greenbank Arterial. Motorists will be detoured into Springfield Central via Centenary Motorway Exit 33 and Sinnathamby Boulevard.
- For motorists, Springfield Central Park'n'Ride access will be closed from 8pm. For motorist vehicles already in the Park'n'Ride, the exit will be available from 8pm till 5am.
- Translink buses will be directed through work areas under traffic control.

- At times as asphalt is laid across the Springfield Central Park'n'Ride exit and entry access will be limited. Traffic control will be in place to support motorists.
- Traffic control signage, vehicles and controllers to direct traffic.
- Reduced speed limit to 40km/h through work areas.
- Testing and commissioning of traffic signals and road lighting.
- Temporary footpath closures near the work areas will occur and alternative pedestrian routes will be signed.
- Some minor noise and dust associated with these activities. Every effort will be made to minimise these impacts.
